REQUEST TO CORRECT INVENTORSHIP OF A PATENT

Commissioner for Patents
 PO BOX 1450
 Alexandria, VA 22313-1450

This is a request to correct inventorship of a patent pursuant to 35 U.S.C. §256 and 37

C.F.R. §1.324, as follows.

I. REQUEST UNDER 37 C.F.R. §1.324(a)

This request is made under 35 U.S.C. §256 and 37 C.F.R. §1.324 for correction of United States Reissued Patent US RE38,187 ("the '187 reissue patent") on the ground that through error two persons, John R. Nehmens, II, and Guy W. Haarlammert are named on the '187 patent as inventors and such error arose without deceptive intention on either of their parts. This request is made on application of all the parties and assignees, as further shown below. By this request the Director is requested to issue a certificate naming only the actual inventor, Alex R. Bellehumeur. A copy of the '187 reissue patent is attached.

II. STATEMENTS MADE UNDER 37 C.F.R. §1.324(b)

Submitted herewith under 37 C.F.R. §1.324(b)(2) are statements of the three currently named inventors, Alex R. Bellehumeur, John R. Nehmens, II, and Guy w. Haarlammert agreeing

to the change of inventorship. No person is being added as an inventor and therefore no statement is made under 37 C.F.R. §1.324(b)(1).

Submitted herewith under 37 C.F.R. §1.324(b)(3) is a statement from all assignees of the parties submitting a statement under paragraphs (b)(1) and (b)(2) agreeing to the change of inventorship in the '187 patent. Those assignees are Alex R. Bellehumeur and Linda Dyer-Bellehumeur, assignees of the interests, if any, of John R. Nehmens, II and Guy W. Haarlammert.

It is noted that Alex R. Bellehumeur is, under federal law, a joint owner of the '187 reissue patent by virtue of his being named as a joint inventor of the claims of the '187 patent. It is noted that Alex R. Bellehumeur and Linda Dyer-Bellehumeur are husband and wife under the law of California, a community property state, and have been continuously so married since 1985. Thus, under operation of California community property law, Linda Dyer-Bellehumeur is a co-owner of the joint ownership share of Alex R. Bellehumeur, and for the same reason will be a co-owner of the '187 patent once its inventorship has been corrected.

It is further noted that the requirements of 37 C.F.R. §3.73(b) as embedded in 37 C.F.R. §1.324(b)(3) are met herewith by submission of a statement under of 37 C.F.R. §3.73(b), together with supporting documents.

III. FEE UNDER 37 C.F.R. §1.20(b)

Submitted herewith is the fee of \$130.00, as required under 37 C.F.R. §1.20(b). The undersigned hereby authorizes and requests any deficiency or overage to be charged or credited to Account No. 01-3022.

IV. CONCLUSION

For all of the above reasons it is requested that a certificate naming only the actual inventor, Alex R. Bellehumeur be issued.

Respectfully submitted,
